

SURTEC 2013C-TMAHIF Category 6A FTP 90° keystone jack brings users an easy termination with one simple squeeze. The toolless design provides the installation without using the punch down tool and mitigates the operation difficulty in fields installation. The special cap design directs the wires to correct position as well separates the wire to prevent crosstalk in between. The grounding bar design ensures the high speed transmission for fully shielded environment. 2013C-TMAHIF brings simplified procedure, easy termination, and more qualified network performance.

Features :

- 1. Category 6A FTP 90° toolless Keystone Jack**
- 2. Passes Cat.6A Connecting Hardware Performance (ISO/IEC 11801)**
- 3. UL 1863 Safety Listed**
- 4. UL94V-0 Fire Retardant Plastic**
- 5. Quick Grounding Bar Design**
- 6. Reduce Labor Hour and Cost**

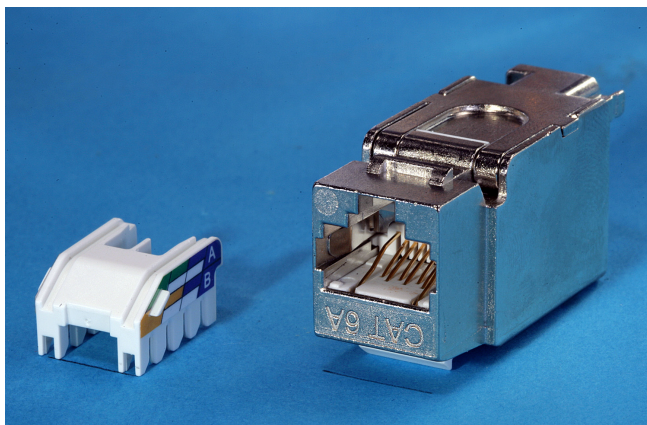

Applications :

- 1. For Ethernet Category 6A FTP Solutions**
- 2. Compatible SURTEC FTP Snap-in Patch Panels**
- 3. Compatible SURTEC Faceplates**
- 4. Compatible SURTEC Surface Mount Boxes**
