

Surtec's voice grade surface mount box is an economical work area outlet. We designed it to be able to use both RJ11 and RJ45's in the same box. There are different termination types for your choice of application.

Feature / Application:

1. UL1863 Safety Listed
2. Termination methods includes Screw type, 66 type and modular type IDC
3. 8P8C, 6P6C, 6P4C for your requirement
4. Snap on plastic cover
5. Customized gold plated contacts are available
