

Surtec's 66 Block is popular because of its stable transmission quality beyond Category 5 channel performance. Its innovative hinged cover design shortens the assembly time and thus reduces cost.

Features / Applications:

1. UL 1863 Safety Listed
2. UL94V-0 fire retardant plastic
3. Clip for Category 5 downward transmission performance
4. Standard pre-wired, USOC and 25 pair Telco application are available
5. Customized colors are available
6. Easy assembling hinged cover (optional)
7. Fits standard 89B or 89D Brackets
